

## GENERAL MISSION

Your donation helps us in the **pursuit of our primary mission**: to offer audiences unforgettable musical experiences and promote our music and artists.

## MAJOR PROJECTS

Your donation supports our **ambitious, large-scale artistic projects**, such as the presentation of major solo, choral and orchestral works, like Mozart's Requiem or Handel's *Messiah*.

## INTERNATIONAL

Your donation is an active contribution to the promotion of Quebec City both here and abroad, as we have done through our **52 international tours**, the orchestra's and choir's **38 recordings**, and by bringing home many prestigious awards over the past 40 years!

## YOUNG MUSICIANS

Your donation supports our **commitment to young musicians**—advanced students and emerging professionals alike—through initiatives such as the Émergence mentorship program, the baroque and classical concerto competition and the chamber orchestra workshop at Domaine Forget in Charlevoix.
